## ▲ AUCTION FORMATS

---

BIDITUP's focus is the conversion of assets via the public auction forum.

- **Bidcast® Auctions**

BIDITUP's proprietary online Bidcast® Auctions are traditional onsite auction events with buyers from around the globe competitively bidding in real-time with those on the auction floor.

- **Onsite Auctions**

Our team of seasoned auctioneers knows how to get a crowd excited about every asset, providing an enthusiastic auction experience, giving us the reputation of being among the best in the world.

- **Online Auctions**

We continue to enhance our proprietary online auction technology. By combining our industry experience, client needs, and technology developments, we created a successful online auction system allowing buyers to participate 24 hours a day, seven days a week.
